Sir:

**RESPONSE TO RESTRICTION REQUIREMENT**

In an Office Action dated February 23, 2003, the Examiner issued a restriction requirement requiring restriction under 35 U.S.C. § 121 between Group I (Claims 1-33, 48-56, and 58), Group II (Claims 34-38), Group III (Claims 39-47), and Group IV (Claim 57). Applicants provisionally elect to prosecute Group I without traverse and without prejudice to traversing the restriction requirement applied to Groups II, III, and IV.

Applicants note that the Office Action contains several assertions setting forth apparent characterizations of the claims. Applicants decline to subscribe automatically to any such assertions.
